VOLUNTEEN PROGRAM 22'

The 2022 Summer VolunTeen Program welcomed nearly 70 teens from over 20 different high schools! From Rehab Camp and Camp Cure to Hospital sessions, there were over 3,400 hours volunteered! May this book remind you of all the fun you had and the impacts you made!

SESSION 1

MORNING

THANK YOU!

What a summer we had! All of these pictures are a warm reminder of just how vital this program is. Our staff, families, and most importantly, our patients, really appreciate you! Even this book cannot contain all the smiles and happiness you brought this summer! Thank you!

- Cheryl, Landyn, Lucy, and Teresa
